The offer for sale of this aircraft is subject to contract, and the aircraft may at any time be withdrawn from the market without prior notice. Specification is subject to verification by the purchaser.

Engine & Major Component Times

Engine – PT6B-37A

Time Since New (TSN) – 954 hrs

Reduction Gearbox Time Remaining : 2,046 / 3000

Power Section Time Remaining : 3,546 / 4500

Fuel Control Unit

Interval: 3,500 hours / 6 y

Time Remaining: 3,500 hrs / September 2032

Main Transmission

Interval: 4,800 hours

Time Remaining: 3,839, hrs

Tail Rotor Gearbox

Interval: 4,800 hours

Time Remaining: TBC hrs

Main Rotor Servo

Interval: 2,400 hours

Time Remaining: 1,439 hrs

Tail Rotor Servo

Interval: 1,800 hours

Time Remaining: 839 hrs

Full Details Available On Request

The offer for sale of this aircraft is subject to contract, and the aircraft may at any time be withdrawn from the market without prior notice. Specification is subject to verification by the purchaser.

About H-LEASE

H-LEASE is a global helicopter sales and lease marketing business, that represents buyers, sellers, owners, operators, banks, lessors and other financial institutions to achieve their goals

The Company was founded in 2011 by Tim Blockley, with over 28 years' industry-specific experience in the field of helicopter leasing and sales

Established with a single aim in mind – to provide a team resource that is expert in the field of helicopter leasing and sales

H-LEASE can be relied upon for any helicopter market-related, business development or sales activity, performing the heavy lift to enable its clients to focus on core activities

**Global Specialist
in
Helicopter Leasing and Sales**
